

## **Beginning Farmer Services** *From Maine Farmland Trust*

Maine Farmland Trust is dedicated to helping beginning farmers create and sustain new farms.

Any farmer with limited experience operating a farm can contact the trust to receive assistance.

### **What They Can Help With**

- Finding, buying, leasing, or protecting land
- Business planning
- Market development
- Shared use farm equipment
- Outreach
- Connecting with other organizations and programs

### **For More Information**
